**The Bible Teaches And Seventh-day Adventists Believe...**

1. That there is a personal triune God, Creator and Sustainer of all life forms and systems in the universe including planet Earth. *Hebrews 1:1-3*
2. That God's government was rebelled against by angels in Heaven who have established a counter-government of sin under Satan on earth. *Revelation 12:7-9*
3. That man, in yielding to temptation, became a sinner by choice and is subject to all results of sin including death. *Romans 5:12*
4. That Jesus, man's Creator, became and remains man's only source of salvation from Satan and sin. *John 3:16-21*
5. That Jesus established the seventh day of the week as the Sabbath to be observed as the unchangeable sign of His authority as Creator and Saviour. *John 1:1-3*
6. That Jesus gave man the Bible to educate him in the way of God and righteousness. *Psalms 32:8,9*
7. That obedience to all God's requirements, of which the Ten Commandments is a summary, is binding upon all born-again Christians. *Exodus 20:3-17*
8. That righteous living is imperative to eternal life but is possible only through the power and presence of Christ in the life. *1 Corinthians 6:9-11*
9. That spiritual rebirth and baptism are prerequisites for this new life in Christ. *John 3:1-5,7*
10. That God must be glorified in the true stewardship of body, treasure, dress, deportment and belief. *Deut. 14:3-20*
11. That the Holy Spirit is the vicar of God on earth, enriching the church with gifts and empowering Christians to live for Christ. *Ephesians 4:4-8,11-15,30*
12. That the gospel must be preached and Jesus will return to restore planet Earth into harmony with the rest of Creation. *Matthew 24:14,28;18-20*
13. That the wicked, with the evil angels, will be destroyed, the righteous dead resurrected, and the righteous living receive everlasting life. *Matthew 25:31-34,41,46*
14. That probationary time is running out and people everywhere are urged to accept Christ ON HIS TERMS NOW, before it is too late.
